Chief Special Announcement: presented by Chief Mirowski

City Council Report: presented by Chief Mirowski in the Mayor’s absence  
- The City Council Advance Event  
  - During the 1st couple of hours a lot of Fire information was presented, including the Blue Card Video, narrated by Deputy Fire Marshal Carie Dann. (This video was shown at the end of the FRAC meeting)  
  - The City’s 3 main priorities are: public safety, economic development, and infrastructure.  
  - An example of a public safety topic on deck is the police shooting range.  
  - Fracking continues to be a major subject of discussion.  
    - We, as LFRA, are still working to get the contract deals with the fracking companies. There are similarities to hazmat responses which would allow many of the same resources and response protocols to be utilized.
