The information in this guide is a general outline of the benefits offered under the Loveland Fire Rescue Authority's benefits program. Specific details and plan limitations are provided in the Summary Plan Descriptions (SPD), which is based on the official Plan Documents that may include policies, contracts and plan procedures. The Plan Documents contain all the specific provisions of the plans. In the event that the information in this brochure differs from the Plan Documents, the Plan Documents will prevail.
Benefits Eligibility

Employees who regularly work 30+ hours per week are considered full-time for benefit purposes. Employees who work 20 – 29 hours per week are considered part-time benefit eligible employees (Human Resources can provide the appropriate cost schedules). Employees who are considered full-time for benefit purposes may not be considered full-time for other employment purposes.

Many of our plans offer coverage for eligible dependents, including:

- Your legal spouse including civil union partners
- Your children up to age 26, regardless of student, marital, or tax dependent status (including step, foster, adopted, or a child for whom you are the legal guardian)
- Your dependent children of any age who are physically or mentally unable to care for themselves.

Enrollment

You can sign up for benefits or change your benefit elections at the following times:

- Within 30 days of your initial eligibility date (as a new benefit-eligible employee); benefits begin the first day of the month following your initial eligibility date.
- Within 30 days following the loss of CEBT coverage (as a newly-retired employee); if eligible, benefits are effective the date coverage is lost. HR can provide the appropriate cost schedules.
- During the annual benefits open enrollment period; benefits are effective January 1 of the following year.
- Within 30 days of experiencing a qualifying life event; benefits are effective the date of your qualifying event.

The choices you make will remain the same through December 31 of the plan year. If you do not sign up for benefits during your initial eligibility period or during the open enrollment period, you will not be able to elect coverage until the following plan year (unless you experience a qualifying life event*).

Changing Your Benefits During the Year

Due to IRS regulations, once you have made your medical, dental, vision, and FSA plan elections for the plan year, you cannot change your benefits until the next annual open enrollment period. The only exception is if you experience a qualifying life event*. Election changes must be consistent with your life event and you may need to provide documentation dependent upon the type of event.

To request a benefits change, contact LFRA Human Resources within 30 days of the qualifying event*. Change requests received after 30 days cannot be accepted.

*Qualifying life events include, but are not limited to:

- Marriage, divorce, or legal separation
- Birth or adoption of an eligible child
- Death of your spouse or covered child
- Qualified Medical Child Support Order
- Change in your child’s eligibility for benefits
- Change in your spouse’s work status that affects their benefits

Your 2023 Benefits Package

LFRA recognizes the importance of providing a comprehensive benefits program to our eligible employees. Within this Benefits Guide you’ll find important information on the benefits available to you for the 2023 plan year (January 1, 2023 – December 31, 2023).

We encourage you to take time to review all the benefits LFRA offers to determine which plans are best for you.
Medical Insurance Plans

LFRA offers three (3) medical plan options through the Colorado Employer Benefit Trust (CEBT).

- **Exclusive Provider Organization (EPO)** plan offers in-network benefits only for most services – however along with the lowest premium cost, you’ll discover United Healthcare has a large network of providers to choose from.
- **Preferred Provider Organization (PPO)** plans have higher premium costs however, offer both in- and out-of-network benefits.

### Monthly Medical Insurance Plan Costs

Costs below are for full-time benefit eligible LFRA employees; part-time benefit eligible rates are pro-rated. Please contact LFRA Human Resources for part-time benefit eligible rates.

Medical Insurance (continued)

Preventative Care

The CEBT medical plans cover in- and out-of-network eligible charges for preventative care at 100%. This includes routine screenings, checkups, and immunizations in an effort to prevent illness, disease, or other health problems.

Medication

When you enroll in CEBT insurance, your prescription coverage program is provided by CVS Caremark. You can have a 90-day supply of your maintenance medication refilled at a 90-day network pharmacy for two times the retail copay.

Health & Wellness Center

CEBT, in partnership with Marathon Health, offers those enrolled in CEBT insurance expanded health and wellness services at no extra charge. The Centers are staffed by full-time licensed Physician Assistants (PA) and/or Nurse Practitioners (NP) and Medical Assistants.

There is absolutely no cost for any type of visit at a Center (including prescriptions dispensed onsite). Charges for any services not performed within the Centers will be submitted to your health plan by the Center provider and processed as any other claim (i.e. lab work sent offsite, prescriptions written to a pharmacy of your choice, x-rays, MRI’s, or referrals to providers outside the Center).

CEBT Health & Wellness Centers

Extensive service offerings to ignite your health journey:

**Prevention**

Health Screenings
- Annual exams
- Blood pressure
- Body mass index
- Cholesterol
- Glucose
- School, camp, and sports physicals

Health Coaching
- Nutrition
- Physical activity
- Tobacco cessation
- Stress management
- Weight loss

**Sick Visits**

Chronic Condition Coaching
- Arthritis
- Asthma
- COPD
- Depression
- Diabetes
- Heart health
- Low back pain
- Sleep apnea
- Educational offerings

- Bronchitis
- Common cold
- Constipation
- Cough
- Diarrhea
- Eye infections
- Headache
- Joint pain
- Nausea and vomiting
- Nosebleed
- Sinus infections
- Skin infections
- Strep throat

**Medications**

- Common medications dispensed onsite
- Other prescriptions sent to pharmacies
- Preventive medications are provided at no charge
- Controlled substances such as narcotics are not dispensed at the health center
- Consultation required with a provider to ensure oversight of your medical treatment

Lab Services

Blood work and lab tests processed at the center include hemoglobin A1C, lipid panel, glucose, rapid strep, mono, urinalysis, oxygen saturation, and pregnancy. Additional lab tests can also be drawn and sent to an outside lab for processing.

Privacy

The care you receive at the CEBT Health & Wellness Centers is confidential and protected by state and federal law.

Eligibility and Cost

Employees, spouses, and dependents ages 2 and older who are on the medical plan are eligible to use the virtual and in-person services provided at any of the CEBT Health & Wellness Centers. Services include primary and preventive care such as annual physicals, school and sports physicals, wellness visits, chronic condition coaching, and health coaching. There is no cost to patients for services delivered at the health centers (sick visits are $45 for members on the HDHP only).
Additional Medical Benefits

Teladoc

**Teladoc** gives 24/7/365 access to U.S. board-certified doctors and pediatricians through the convenience of phone, video or mobile app visits. This is great for many non-emergency illnesses including flu, allergies, sinus infections and more. LFRA members, set up your account today so when you need care, a Teladoc doctor is just a call or click away. To register: download the app, [click here](#) or call (800) TELADOC (835-2362).

Via Benefits

**Via Benefits** is a post-employment benefits concierge service for former employees who have terminated (or are planning to terminate) from LFRA coverage. Via Benefits helps former employees evaluate and enroll in benefit coverage. Former employees will now have more options and flexibility to choose coverage that is right for them, secure long-term stability, and unlock potential for cost savings. [Click here for more information](#) or call (833) 414-1452.

SurgeryPlus

CEBT members can use **SurgeryPlus** to obtain access to elite surgeons, a full concierge advocacy service, and financial rewards. Under LFRA’s PPO medical plans, CEBT will waive your deductible and coinsurance; under LFRA’s EPO medical plan, CEBT will waive your co-pay. CEBT members, [click here](#) for more information or call (855) 200-6675.

Omada

**Omada** is a personalized program that empowers you to achieve your health goals- whether that’s losing weight, staying on top of diabetes, lowering blood pressure, or improving your overall health. Covered individuals and/or their covered adult family members (18+) are eligible for this program at no additional cost. [Click here for more information](#) or call (888) 409-8687.

Healthcare Bluebook

**Healthcare Bluebook** allows you to see price information on hundreds of procedures in your area with a simple search. Plus, you can earn rewards for using Fair Price (green) facilities. Get paid to save!

UMR Cancer Resource Services

Cancer Resource Services (CRS) through UMR are available to members enrolled in a CEBT EPO or PPO plan. CRS helps coordinate all aspects of cancer care, providing participants with a case manager who acts as an advocate through the conclusion of treatment. [Click here](#) to view the flyer.

Dental Insurance

LFRA offers a dental insurance plan through **CEBT/Delta Dental**. The Delta Dental Plan A offers in-and out-of-network benefits, allowing you the freedom to choose any provider, however you will enjoy the greatest out-of-pocket savings if you see a Delta Dental PPO dentist.

**Monthly Dental Plan Costs**

Costs below are for full-time benefit eligible LFRA employees; part-time benefit eligible rates are pro-rated. Please contact **LFRA Human Resources** for part-time benefit eligible rates.

</tbody>
</table>

You are enrolled in a Delta Dental PPO plus Premier plan. You and your family members may visit any licensed dentist but will enjoy the greatest out-of-pocket savings if you see a Delta Dental PPO dentist. There are three levels of dentists to choose from:

- **PPO Dentist** - Payment is based on the PPO dentist's allowable fee, or the actual fee charged, whichever is less.
- **Premier Dentist** - Payment is based on the Premier Maximum Plan Allowance (MPL), or the fee actually charged, whichever is less.
- **Non-Participating Dentist** - Payment is based on the non-participating Maximum Plan Allowance. Members are responsible for the difference between the non-participating MPL and the fee charged by the dentist. You will receive the best benefit by choosing a PPO dentist.

Members may add coverage once a year at Open Enrollment. Coverage may only be dropped by an employee or dependent with proof of qualifying event. This is a brief description of services covered under your dental plan. Please refer to the Plan Document for full plan details. If differences exist between this summary and the Plan Document, the Plan Document will govern.
Vision Insurance

LFRA offers a vision insurance plan through CEBT/Vision B (VSP). You have the freedom to choose any provider. However, you will maximize the plan benefits when you choose an in-network provider.

Monthly Vision Plan Costs

Costs below are for full-time benefit eligible LFRA employees; part-time benefit eligible rates are pro-rated. Please contact LFRA Human Resources for part-time benefit eligible rates.

Vision Plan Benefits Summary

The table below summarizes key features of the vision plan. Please refer to the Vision B (VSP) official plan documents for additional information on coverage and exclusions.
Flexible Spending Accounts

LFRA offers two Flexible Spending Account (FSA) options – the Health (medical) FSA and the Dependent Care FSA which both allow you to pay for eligible health and dependent care expenses with pre-tax dollars. The FSAs are administered through Rocky Mountain Reserve.

Health FSA

The Health FSA allows you to set aside money from your paycheck on a pre-tax basis (before income taxes are withheld) to pay for eligible expenses, such as over the counter drugs along with menstrual care products, deductibles, copays, and other health-related expenses, that are not paid by medical, dental, or vision plans. Participants may claim and be paid out their entire annual election at any time.

Dependent Care FSA

The dependent care FSA allows you to set aside money from your paycheck on a pre-tax basis for day care expenses. Eligible dependents are children under 13 years of age, or a child over 13, spouse, or elderly parent residing in your house who is physically or mentally unable to care for himself or herself. Examples of eligible expenses are day care facility fees, before- and after-school care, and in-home babysitting fees (income must be reported by your care provider). Participants may only be paid what they have contributed at any point in time.

How Does an FSA Work?

You decide how much to contribute to each FSA on a plan year basis up to the maximum allowable amounts. Your annual election will be divided by 24 pay periods and deducted evenly on a pre-tax basis from each of those pay checks throughout the year (number of pay periods may be pro-rated for new hires and qualifying life events).

You will receive a debit card from Rocky Mountain Reserve, which can be used to pay for eligible expenses at the point of service. If you do not use your debit card or if you have dependent care expenses to be reimbursed, submit a claim form and a bill or itemized receipt from the provider to Rocky Mountain Reserve. Keep all receipts in case Rocky Mountain Reserve requires you to verify eligibility of a purchase.

Things to Consider

- FSA dollars are use it or lose it.
- You have a 90-day period (ending March 31, 2024) to submit claims for the 2023 plan year.
- For the Dependent Care FSA, you have until March 15, 2024 to incur new expenses.
- For the Health FSA, if you have $610 or less in your 2023 balance, those funds will be carried over and used first until March 31, 2024; on April 1, 2024 any remaining funds from the carryover will be added to your 2024 plan year balance.
- You cannot take income tax deductions for expenses you pay with your FSA(s)
- You cannot stop or change your FSA contribution(s) during the plan year unless you experience a qualifying life event (see page 2 for a listing of qualifying life events).

Mental Health Benefits

LFRA cares about your total well-being. This is why we offer multiple employee assistance and work-life programs. These programs provide counseling and work-life services to help manage problems before they adversely affect your personal life, health, or job performance.

**Staff Psychologist**

Dr. Teresa Richards is a Licensed Psychologist that has worked with Loveland firefighters, police officers, and civilian staff since 2014. She provides free and confidential psychological services to all LFRA employees and their immediate family members, including individual and couples’ therapy, for work-related and personal concerns. Dr. Richards is also the Clinical Supervisor for LFRA’s Peer Support Team, and provides monthly training for the team.

**Peer Support Team (PST)**

Traditionally, emergency services personnel have turned to each other for support. Peer counseling is based upon the philosophy that often the best person to help is another person in the same career. Acting under the guidance and oversight of the Staff Psychologist, members of the Peer Support Team are specifically trained in peer support and are available to all employees of the Authority and their immediate families. Issues discussed during peer support, on-scene support, and other PST interactions are considered confidential within the limits of C.R.S. 13-90-107(m).

**Employee Assistance Program (EAP)**

All employees, dependent children up to age 26 and their household members are eligible for the employee assistance and work-life referral services. These services are free, strictly confidential, and include telephonic counseling and/or face-to-face visits with a licensed professional counselor. Triad offers six (6) face-to-face visits per issue, per year; The Standard offers three (3) face-to-face visits per issue, per year.

Assistance is available for personal and work-life situations such as, but not limited to:

- Depression, grief, loss and emotional well-being
- Family, marital and other relationship issues
- Addictions such as alcohol and drug abuse
- Stress or anxiety with work or family
- Life improvement and goal-setting
- Financial and legal concerns
- Identity theft and fraud resolution
- Online will preparation
- ...and more

**Contact Triad EAP**

Disability Insurance

LFRA offers both short- and long-term disability insurance to all eligible employees at no cost through The Standard. Both are designed to help you meet your financial needs if you become continuously disabled.

Short-Term Disability Benefits

- Benefit: 70% of base weekly earnings up to $1,500
- Elimination period: 14 days
- Benefit duration: 90 days

Long-Term Disability Benefits

- Benefit: 60% of base monthly earnings up to $5,000
- Elimination period: 90 days
- Benefit duration: If you become disabled before age 62 benefits may continue until the Social Security Normal Retirement Age or 3 years 6 months, whichever is longest. If disabled at age 62 or older, the benefit amount is determined by the age when the disability begins

Life and AD&D Insurance

Basic Life and Accidental Death & Dismemberment (AD&D)

Life and Accidental Death and Dismemberment (AD&D) is an important element of your income protection planning, especially for those who depend on you for financial security. For your peace of mind, LFRA provides basic life and AD&D insurance to all eligible employees at no cost through The Standard.

- Employee life and AD&D benefit: 1.5 times the employee’s salary up to $450,000
- Spouse life and AD&D benefit: $5,000
- Child(ren) (through age 25) life and AD&D benefit: $2,000

FPPA Death & Disability Plan

Sworn employees are required to participate in the FPPA Death & Disability Plan effective the first day of employment with LFRA, remaining covered until normal retirement (age 55 and 25 years of service) is reached. Sworn employees pay 3.4% of their base salary for this coverage which is available for both on & off duty incidents, including long-term disability conditions.

Eligible survivor benefits are payable to the employee’s spouse and/or unmarried dependent children under age 23.
Life and AD&D Insurance (continued)

Supplemental Life and AD&D Insurance Plan

LFRA provides you the option to purchase additional life and AD&D insurance for yourself, your spouse, and your dependent children through The Standard. You must purchase voluntary coverage for yourself in order to purchase coverage for your spouse and/or dependents. Voluntary life rates are age-banded. Benefits will reduce to 65% at age 65, to 50% at age 70, to 35% at age 75.

If you elect coverage when first eligible, you may purchase up to the guarantee issue amount(s) without completing a statement of health (evidence of insurability). If you do not enroll when first eligible and choose to enroll during a subsequent annual open enrollment period, you will be required to submit evidence of insurability for any amount of coverage. Coverage will not take effect until approved by The Standard.

- **Employee**: $10,000 increments up to the lesser of 5x annual salary or $500,000. Guarantee issue: $150,000
- **Spouse**: $10,000 increments up $250,000 not to exceed 50% of employee’s amount. Guarantee issue: $30,000
- **Dependent children**: $20,000 flat amount (live birth to age 26)

Retirement

401(a) Money Purchase Plan

The 401(a) is an individual, self-directed retirement account that becomes available to you at retirement. Contributions to the plan are made on a pre-tax basis. Full-time and part-time benefit eligible employees are required to participate from their date of hire.

Contributions & Vesting - Sworn

The mandatory employee contribution for sworn employees into the 401(a) is 10% of the employee’s base salary; the LFRA employer matching contribution is 10% of the employee’s base salary. You are fully vested in your own contributions beginning the first day of participation in the plan. You become vested in employer contributions according to the following schedule:

<table>
<thead>
<tr>
<th>Years of Service</th>

401(a) Money Purchase Plan (continued)

Contributions & Vesting – Non-Sworn

The mandatory employee and employer matching contributions for non-sworn employees into the 401(a) is according to the schedule below. You are fully vested in your own contributions beginning the first day of participation in the plan. You become vested in employer contributions after three (3) years of employment with LFRA.

457(b) Deferred Compensation Plan

The 457(b) is a retirement account that allows LFRA to further assist you in building retirement funds. You may contribute on a pre-tax and/or after-tax basis and the investments grow tax-deferred. Employee Contributions to the Traditional 457(b) and Roth accounts are voluntary.

Sworn employees: LFRA employer matching contribution is up to 5% of the employee’s base salary and goes into the employee 401(a).

Contributions

Traditional 457(b): Employee contributions are made on a pre-tax basis, reducing current taxable compensation. Earnings grow tax-deferred and distributions are taxable.

Roth Account: A Designated Roth Account is a separate account within the 457(b) plan that holds designated Roth contributions which are made by the employee on an after-tax basis. These contributions are not tax-deferred but, earnings in the Roth Account grow tax-deferred and qualified distributions are tax-free.

Additional Benefits

Chilson Recreation Center

LFRA offers payroll deductions for 50% off of Chilson Recreation Center memberships and passes.

Travel Assistance

If an illness, accident or lost item disrupts your travels, Travel Assistance can offer support of finding medical and legal services, replacing lost credit cards and passports, and transport back to the U.S.

Tuition Reimbursement

LFRA’s tuition reimbursement program provides financial support for approved educational coursework up to $2,000 per year.
ANNUAL NOTICES - 2022-2023 PLAN YEAR

PATIENT PROTECTION DISCLOSURE

The Colorado Employers Benefit Trust (CEBT) Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the CEBT at (303) 773-1373, (800) 332-1168 or www.cebt.org.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from CEBT or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology contact CEBT at (303) 773-1373, (800) 332-1168 or www.cebt.org.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

The Women’s Health and Cancer Rights Act of 1998 requires group health plans to make certain benefits available to participants who have undergone a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedema

Our plan complies with these requirements. Benefits for these items generally are comparable to those provided under our plan for similar types of medical services and supplies. Of course, the extent to which any of these items is appropriate following mastectomy is a matter to be determined by consultation between the attending physician and the patient. Our plan neither imposes penalties (for example, reducing or limiting reimbursements) nor provides incentives to induce attending providers to provide care inconsistent with these requirements. If you would like more information about WHCRA required coverage, you can contact Anthem at the number listed on the back of your ID card.

THE NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT

The Newborns’ and Mothers’ Health Protection Act of 1996 prohibits group and individual health insurance policies from restricting benefits for any hospital length of stay for the mother or newborn child in connection with childbirth; (1) following a normal vaginal delivery to less than 48 hours; and (2) following a cesarean section, to less than 96 hours. Health insurance policies may not require that a provider obtain authorization from the health insurance plan or the issuer for prescribing any such length of stay. Regardless of these standards, an attending health care provider may, in consultation with the mother, discharge the mother or newborn child prior to the expiration of such minimum length of stay.

Further, a health insurer or health maintenance organization may not:

- Deny to the mother or newborn child eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely to avoid providing such length of stay coverage
Annual Notices (continued)

- Provide monetary payments or rebates to mothers to encourage such mothers to accept less than the minimum coverage
- Provide monetary incentives to an attending medical provider to induce such provider to provide care inconsistent with such length of stay coverage
- Require a mother to give birth in a hospital
- Restrict benefits for any portion of a period within a hospital length of stay described in this notice

These benefits are subject to the plan’s regular deductible and co-pay. For further details, refer to your SPD.

GENETIC INFORMATION NONDISCRIMINATION (GINA) ACT

The Genetic Information Nondiscrimination Act protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. GINA also restricts employers’ acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members. Our Plan complies with these requirements.

NOTICE OF ADVERSE BENEFIT DETERMINATION

Employer-sponsored group health plans are required to provide notice of an adverse benefit determination when a claim is first denied.

- In the case of a claim filed after medical services are provided, notice of the adverse benefit determination is required within 30 days of receipt of the claim, except that one 15-day extension is allowed if proper notice of the need for extension is provided.
- In the case of a claim filed before medical services are provided (e.g., if pre-authorization is required to obtain full benefits) the notice of adverse benefit determination with respect to a non-urgent claim is required within 15 days of receipt of a non-urgent Care claim, except that one 15-day extension is allowed if proper notice of the need for extension is provided.
- If the pre-service claim is for urgent care, the notice of adverse benefit determination generally is required within 24 hours of filing.

NOTICE OF FINAL INTERNAL ADVERSE BENEFIT DETERMINATION

Employer-sponsored group health plans are required to provide notice of a final internal adverse benefit determination when internal appeals procedures have been completed. This notice is similar to the notice of decision on appeal. The CEBT plan maintains two levels of internal appeals whereby this model notice is intended for use only after the second internal appeal if it results in an adverse benefit determination.

- In the case of a claim filed after medical services are provided, this notice is required within 60 days after the appeal is first filed (even if the plan has two appeal levels) and no extensions are allowed.
- In the case of a claim filed before medical services are provided (e.g., if pre-authorization is required to obtain full benefits), the notice of final internal adverse benefit determination with respect to a non-urgent claim is required within 30 days after the appeal is first filed (even if the plan has two appeal levels) and no extensions are allowed.
- If the pre-service claim is for urgent care, the notice of final internal adverse benefit determination generally is required within 72 hours after the appeal is first filed (even if the plan has two appeal levels) and no extensions are allowed.
NOTICE OF FINAL EXTERNAL REVIEW DECISION

Employer-sponsored group health plans are required to maintain an external review procedure, for certain types of claim denials, that meets certain requirements, including a notice of final decision. If your claim appeal is denied, you will be provided with a notice that contains a statement describing any voluntary appeal procedures or external review procedures offered by the Plan, including the time limits applicable to such procedures, and the claimant’s right to obtain information about those procedures. For adverse determinations of claim appeals subject to external review, the notice will include information about how to request an independent review through the external review procedure. An independent reviewer will review the matter and issue a written decision of the determination within the applicable timeframes; independent reviews may be subject to expedited review or extensions as necessary and appropriate.

HIPAA SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009 special enrollment rights also exist in the following circumstances:

- If you or your dependents experience a loss of eligibility for Medicaid or your State Children’s Health Insurance Program (SCHIP) coverage; or
- If you or your dependents become eligible for premium assistance under an optional state Medicaid or SCHIP program that would pay the employee’s portion of the health insurance premium.

Note: In the two above listed circumstances only, you or your dependents will have 60 days to request special enrollment in the group health plan coverage.

As stated earlier in this notice, a special enrollment opportunity may be available in the future if you or your dependents lose other coverage. This special enrollment opportunity will not be available when other coverage ends, however, unless you provide a written statement now explaining the reason that you are declining coverage for yourself or your dependent(s). Failing to accurately complete and return this form for each person for whom you are declining coverage will eliminate this special enrollment opportunity for the person(s) for whom a statement is not completed, even if other coverage is currently in effect and is later lost. In addition, unless you indicate in the statement that you are declining coverage because other coverage is in effect, you will not have this special enrollment opportunity for the person(s) covered by the statement. (See the paragraph above, however, regarding enrollment in the event of marriage, birth, adoption or placement for adoption, loss of eligibility for Medicaid or state CHIP, and gaining eligibility for a state premium assistance subsidy through Medicaid or state CHIP.)

To request special enrollment or obtain more information, contact Loveland Fire Rescue Authority benefits department.
Premium Assistance Under Medicaid and the
Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in Colorado, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact the State for more information on eligibility

COLORADO-Health First Colorado (Colorado’s Medicaid Program) & Child Health Plan Plus (CHP+)

Health First Colorado Website: https://www.healthfirstcolorado.com/
Health First Colorado Member Contact Center: 1-800-221-3943/ State Relay 711

COBRA CONTINUATION OF COVERAGE RIGHTS

Under the federal law, known as COBRA, you and your dependents generally may continue medical, dental, and vision if coverage ends due to either:

- A reduction in the number of hours you work or
- Termination of your employment for any reason other than gross misconduct.

Your dependents may continue their medical, dental and vision coverage under this plan if their coverage ends for any of the following reasons:

- Your death
- You become entitled to Medicare
- Your divorce, annulment, or legal separation, provided the company is notified within 60 days
- Your dependent loses dependent status, provided the company is notified within 60 days

This is not a complete description of all COBRA-related provisions. You should consult your SPD for more details.

The following chart shows how long you can continue your COBRA coverage:

<table>
<thead>
<tr>
<th>If you lose coverage because...</th>

HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW YOU MAY OBTAIN A COPY OF THE PLAN’S NOTICE OF PRIVACY PRACTICES, WHICH DESCRIBES THE WAYS THAT THE PLAN USES AND DISCLOSES YOUR PROTECTED HEALTH INFORMATION.

CEBT (the “Plan”) provides health benefits to eligible participants of CEBT, and their eligible dependents as described in the summary plan description(s) for the Plan. The Plan creates, receives, uses, maintains, and discloses health information about participating employees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan’s duties and privacy practices with respect to covered individuals’ protected health information and has done so by providing to Plan participants a Notice of Privacy Practices, which describes the ways that the Plan uses and discloses protected health information.

To receive a copy of the Plan’s Notice of Privacy Practices you should contact Willis Towers Watson, who has been designated as the Plan’s administrator and contact for all issues regarding the Plan’s privacy practices and covered individuals’ privacy rights. You may also access the Notice of Privacy Practices on CEBT’s website: https://cebt.org/resources/resource-center. You can reach customer service at:

Important Notice from CEBT
About Your Prescription Drug Coverage and Medicare
Creditable Coverage

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with CEBT and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. CEBT has determined that the prescription drug coverage offered by CEBT Plan is, on average for all plan participants expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later to decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current CEBT coverage will not be affected. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage; [See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at http://www.cms.hhs.gov/CreditableCoverage/) which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.]

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with CEBT and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium
may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage

For further information call Medicare. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through CEBT changes. You may also request a copy of this notice at any time.

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call (1-877-486-2048).

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Date: 7/1/2022
Name of Entity/Sender: CEBT
Address: 555 17th Street, Ste. 2050
Denver, CO 80202
Phone Number: (303) 773-1373 or (800) 332-1168
PART A: General Information
When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November each year for coverage starting as early as the immediately following January 1.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5%1 of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.2

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact Willis Towers Watson at 1-800-332-1168 or 303-773-1373.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

---

1 As that percentage is adjusted by inflation from time to time.
2 An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
# Annual Notices (continued)

## PART B: Information about Health Coverage Offered by Your Employer

### NOTE FROM CE BT: CONTACT YOUR EMPLOYER FOR THE COMPLETED PART B OF THIS NOTICE

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

</tbody>
</table>

* Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - [ ] All employees. Eligible employees are:

  ![Box to insert information about eligible employees]

  - [x] Some employees. Eligible employees are:
    - Regular benefited employees scheduled to work at least 20 hours per week
    - LFRA Board Members
    - Early retirees covered by LFRA insurance at the date of retirement, who are 55 and have completed 20 or more years of service at LFRA at date of retirement

- With respect to dependents:
  - [x] We do offer coverage. Eligible dependents are:
1. A covered employee's lawful spouse, as defined by the State where you reside, provided that:
   a. The spouse is not legally separated from the employee, and
   b. The employee is eligible to claim a marital status of married on their current Federal Income Tax Return as a result.

2. A covered employee's Civil Union partner, who meets the requirements of Colorado's Civil Union Act. Please note that coverage for Civil Union partners is only available if elected by your contributing employer.

3. A covered employee's married or unmarried: natural born, blood related child; step-child; foster child; a Civil Union's child (if Civil Union partner coverage was elected by your contributing employer); legally adopted child; child placed in the employee's legal guardianship by court order; or a child placed with the employee for the purpose of adoption and for which the employee has a legal obligation to provide full or partial support; whose age is less than the limited age.

   The limiting age for each dependent child is their 26th birthday.

☐ We do not offer coverage.

☐ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers but will help ensure employees understand their coverage choices.

13. Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?
   ☐ Yes (Continue)

   13a. If the employee is not eligible today, including as a result of a waiting or probationary period, when is the employee eligible for coverage? ____________ (mm/dd/yyyy) (Continue)

   ☐ No (STOP and return this form to employee)
14. Does the employer offer a health plan that meets the minimum value standard*?
   ☐ Yes (Go to question 15)  ☐ No (STOP and return form to employee)

15. For the lowest-cost plan that meets the minimum value standard* **offered only to the employee** (don’t include family plans): If the employer has wellness programs, provide the premium that the employee would pay if he/she received the maximum discount for any tobacco cessation programs, and didn’t receive any other discounts based on wellness programs.
   a. How much would the employee have to pay in premiums for this plan? $___________
   b. How often?  ☐ Weekly  ☐ Every 2 weeks  ☐ Twice a month  ☐ Monthly  ☐ Quarterly  ☐ Yearly

If the plan year will end soon and you know that the health plans offered will change, go to question 16. If you don’t know, STOP and return form to employee.

16. What change will the employer make for the new plan year?
   ☐ Employer won’t offer health coverage
   ☐ Employer will start offering health coverage to employees or change the premium for the lowest-cost plan available only to the employee that meets the minimum value standard. *(Premium should reflect the discount for wellness programs. See question 15.)*
   a. How much would the employee have to pay in premiums for this plan? $_______
   b. How often?  ☐ Weekly  ☐ Every 2 weeks  ☐ Twice a month  ☐ Monthly  ☐ Quarterly  ☐ Yearly

* An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
Colorado FAMLI Program (Paid Family and Medical Leave)

LFRA has voted to opt-out of participating in the FAMLI state-run family leave program. All employees of LFRA have the ability to participate in FAMLI on an individual basis. FAMLI provides benefits and protections, including partial income protection for eligible employees who are temporarily unable to work due to their or a family member’s qualifying medical or legal reason, specifically, for the care of a newborn, adopted child, or fostered child; to care for a family member with a serious health condition; for the employee’s own serious health condition; for qualifying military exigency leave; or to address safety needs or the impact of domestic violence and/or sexual assault. Partially paid leave is available for up to 12 weeks in a calendar year or up to 16 weeks under certain circumstances related to pregnancy and childbirth. Please see Human Resources to obtain additional copies of the required notices to employees of local government employers who have opted out of FAMLI that are distributed upon hiring.
**Colorado Workplace Public Health Rights Poster:**

**PAID LEAVE, WHISTLEBLOWING, & PROTECTIVE EQUIPMENT**

**Updated June 1, 2022; may be updated annually; up-to-date poster available each mid-December.**

**THE HEALTHY FAMILIES & WORKPLACES ACT (“HFWA”): Paid Leave Rights**

**Coverage:** All Colorado employees, of any age, must provide paid leave:

- All employees earn 1 hour of paid leave per 30 hours worked ("accrued leave") up to 48 hours a year.
- Up to 80 hours of supplemental leave applies in a public health emergency (PHE), until 4 weeks after the PHE ends.
- Employees are required to be paid their regular pay rate during leave, and the employer must continue their benefits.
- Up to 48 hours of unused accrued leave carries over for use during the next year.
- For details on specific situations (e.g., irregular hours, non-hourly pay, etc.), see Wage Protection Rule 3.5, 7 CCR 1103.7.

**Employees can use accrued leave for the following safety or health needs:**

1. A mental or physical illness, injury, or health condition that prevents work, including diagnosis or preventive care;
2. Domestic abuse, sexual assault, or criminal harassment leading to a health, relocation, legal, or other service needs;
3. Caring for a family member experiencing a condition described in category (1) or (2), or
4. As a PHE, a public official closed the workplace, or the school or place of care of the employee's child.

**In a public health emergency (PHE), employees can use supplemental PHE leave for the following needs:**

- Self-isolating or work exclusion due to exposure, symptoms, or diagnosis of the communicable illness in the PHE;
- Seeking a diagnosis, treatment, or care (including preventive care) of such an illness;
- Being unable to work due to a health condition that may increase susceptibility to or risk of such an illness;
- Caring for a child or other family in category (1), (2), or whose school or child care is unavailable due to the PHE.

During a PHE, employees still earn up to 48 hours of accrued leave and may use supplemental leave before accrued leave.

**Employee Policies Notice: Documentation, Incremental Use: Paid Leave:**

Written notice and posters: Employees must (1) provide notice to new employees no later than other onboarding documents/policies, and (2) display updated posters and provide updated notices to current employees, by end of year.

Notice for “foreseeable” procedures: Employees may adopt different procedures in writing to how employers should provide notice if they require “foreseeable” leave, but cannot deny paid leave for noncompliance with such a policy.

An employer can require documentation to show that accrued leave was for a qualifying reason only if leave was for four or more consecutive work days.

Documentation is not required to take accrued leave, but can be required as soon as an employee returns to work or separates from work (whichever occurs). No documentation can be required for PHE leave.

To document leave for an employee’s (or an employee’s family member’s) health-related need, an employee may provide: (1) a document from a health or social service provider and (2) a statement from a doctor or another provider.

If an employee reasonably deems an employer's documentation deficient, the employee must: (A) notify the employer within seven days of the employer's request or the employer's return to work or separation (whichever occurs), and (B) give the employee at least seven days to cure the deficiency.

This must be done in writing, and the employer must respond in writing.

**PROTECTED HEALTH & SAFETY EXPRESSION & WHISTLEBLOWING (“PHEW”):**

**Worker Rights to Express Workplace Health/Safety Concerns & Use Protective Equipment**

**Coverage:** All employees and employers. Plus certain independent contractors.

**PHEW covers not just “employees” and “employers,” but all “principals” (an employer or business with at least 5 independent contractors) and “workers” (employees or independent contractors working for a “principal”).

**Worker Rights to Oppose Workplace Health/Safety Violations:**

- It is unlawful to retaliate against, or interfere with, the following acts:
  1. Making reasonable complaint, including informing, the principal, other workers, the government, or the public, about workplace violations of government health or safety rules, or a significant workplace health or safety threat;
  2. Opposing or testing, audits, or investigations in an investigation or proceeding about retaliation for, or interference with, the above-listed conduct.
- A principal need not address a worker’s PHEW-related concern, but it still cannot fire or take other action against the worker for raising such a concern, as long as the concern was reasonable and in good faith.

**Workers’ Rights to Use Their Own Personal Protective Equipment (“PPE”):**

- A worker must be allowed to voluntarily wear their own PPE (mask, facepans, goggles, etc.) if the PPE (1) provides more protection than equipment provided at the workplace; (2) is recommended by a government health agency (federal, state, or local); and (3) does not make the worker unable to do the job.

**COMPLAINT RIGHTS (under both HFWA & PHEW):**

- Report violations to the Division as complaints or anonymous tips, or file a claim in court after exhausting pre-litigation remedies.

This poster summarizes three Colorado workplace public health laws: SB 20-220 (paid leave), HB 20-1415 & SB 22-97 (health and safety whistleblower). It does not cover other health or safety laws, rules, or codes, including under the federal Occupational Safety and Health Act (OSHA), the Colorado Department of Public Health and Environment (CDPHE), or from local public health agencies. Contact those agencies for other health and safety information.

This poster must be displayed where easily accessible to workers, shared with remote workers, provided in other languages as needed, and replaced with any annually updated version.

This poster is a summary and cannot be relied upon as complete labor law information. For all rules, facts sheets, translations, questions, or complaints, or for the status of the public health emergency ("a qualifying emergency remains in effect as of June 2022"); contact:
