

# Meet the Team

## CEBT Health & Wellness Center at Loveland

### Joy Callender | Physician Assistant

Joy is a world traveler who has lived all around the United States. Passionate about nutrition and preventative medicine, she brings a wealth of healthcare knowledge and experience, as well as a positive attitude to her role at the CEBT Health & Wellness Center. Joy looks forward to getting to know the members of CEBT!

### Rebecca Miller | Physician Assistant

Rebecca is a physician assistant who has been in practice for over 10 years. She has experience in family practice, urgent care, and has worked at an onsite wellness clinic for the past six years. Rebecca's favorite part of being a physician assistant is having the opportunity to spend time with her patients and collaborate with them in creating a unique health plan tailored to the individual. As a strong advocate in disease prevention and health promotion, she is thrilled to work with the members of CEBT and help you on your health journey! When Rebecca is not working, she enjoys hiking, running, traveling, and spending time with her family.

### Meagan Johnston | Nurse Practitioner

Meagan is a nurse practitioner who has worked in healthcare for over 15 years. Her experience includes work in emergency medicine, family medicine, urgent care, and long-term care. Meagan prides herself on providing safe, efficient care to patients of all ages and backgrounds. At the CEBT Health & Wellness Center, she can treat illnesses and ailments, prescribe medications, and help you meet your health goals. Meagan looks forward to working with members of CEBT and their families!

### Charity Schmidt | Medical Assistant

Charity has been a medical assistant for fifteen years. She has experience working in a family practice and for the past five years, a wellness clinic. Charity considers it a privilege to help CEBT Health & Wellness Center patients increase their quality of life.

In Charity's free time, she enjoys to spend time with her family and hike in the Colorado mountains.

### Amber DeDecker | Medical Assistant

Amber is a certified medical assistant with 18 years of healthcare experience. She delivers patient care with compassion, while ensuring the best quality of care for each of her patients. Some of the proudest accomplishments of her career have been helping opioid-dependent patients detox and live a healthy, happy life. At the CEBT Health & Wellness Center, Amber can help you schedule appointments, access the Marathon eHealth Portal, draw labs, and more! Amber looks forward to working with members of CEBT and helping them set and meet their health goals.

In her free time, Amber enjoys running, biking, reading, baking, and spending time with her family.

To schedule an appointment, call the health center or go online to [my.marathon-health.com](http://my.marathon-health.com)

# CEBT Health & Wellness Center at Greeley

## Meet the Team

### Cathy Porter Family Nurse Practitioner

Cathy is a family nurse practitioner who has relocated to Greeley after nearly twelve years of living in South Carolina. Originally from Iowa, she graduated from the University of Iowa with a Masters in Nursing. Cathy practiced at a community health center where she provided acute care and chronic disease management to uninsured and underserved populations. Cathy looks forward to spending time caring for CEBT members and helping them focus on their health! In Cathy's free time she enjoys spending time with her three children, riding her bike, and gardening.

### Rita Portillo Medical Assistant

Rita has been a registered medical assistant for six years and has experience working in a family practice clinic as well as a pediatric clinic. She looks forward to building relationships with employees and their families at the CEBT Health & Wellness Center and dedicating the proper time and attention to each patient. Rita can help you schedule appointments, access the Marathon eHealth Portal, answer your health-related questions, and more! When she is not working, Rita enjoys experiencing different cultures through travel, spending time with her family, and outdoor activities such as hiking and off-roading.

To schedule an appointment with Cathy or Rita, call **970-373-4625** or log into the Marathon eHealth Portal at **my.marathon-health.com**.
